WPS R5.5 Policy brief

The European Commission's support for the production of this publication does not constitute an endorsement of the contents which are the sole responsibility of the authors, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

Policy Recommendations

Taking into account the stage where the SOURCE project is at this moment and the challenges that the consortium faced so far, the policy recommendations that follow provide possible ways to enhance and bring the SOURCE project to the next level.

Level of digital skill	Description
Basic digital skills	Related to basic computer literacy that refers to simple hardware, software and online operations.
Specialized digital skills	Allow online instructors to critically evaluate technology or create content, software or they are specific job-ready skills.
Advanced skills	Related to specialists in ICT professions and digital entrepreneurship.

Table 4. Digital skills relevant for the online instructors

SOURCE kratak pregled preporuka

ReadLab Brussels (ranije CANDIDE International) izradio je prvi broj SOURCE kratkog pregleda preporuka. Prvi broj sadrži strateški plan implementacije preporuka, osvrt na ciljeve projekta, a daje i preporuke i mere važne za ciljne grupe i to u sledećim sferama:

- Ulaganje u kontinuiran profesionalni razvoj
- Podrška u tehnološkoj infrastrukturi
- Inicijative za saradnju
- Istraživanje

SOURCE konzorcijum intenzivno radi na razvoju i dizajnu **SOURCE Massive Open Online Course (MOOC)** koji će izuzetno doprineti obrazovanju odraslih, omogućavajući fleksibilne, prilagođene i besplatne prilike za učenje.

SOURCE Alat za podršku u odlučivanju

Ovaj alat predstavlja pomoć i daje logičko usmerenje **u donošenju odluka i izbora sa kojima se susreću onlajn instruktori** prilikom dizajniranja onlajn kursa. Ovaj alat biće dostupan na **engleskom** i na partnerskim jezicima (**italijanskom, španskom, srpskom, francuskom, grčkom i poljskom**) radi veće vidljivosti i pristupačnosti.

The screenshot shows the SOURCE project website. At the top left is the logo featuring a colorful hot air balloon-like icon above the word "SOURCE". To the right are navigation links: Home, Project +, Project Activities +, MOOC, News & Events +, Contact, and a language selector (UK +). Below the navigation is a search bar with the placeholder "Select or write your keyword". Underneath the search bar are five mobile device icons, each representing a different activity: "Virtual International Exchanges", "Storytelling for Soft Skills and Language Learning", "Peer Mentoring for Language Learning", "Soft Skills Workshops", and "Interactive Language Café".
